

NAKAGAWA, et al. - Appln. No.: 09/282,422

REMARKS

The above corrects the error made in the March 31, 1999 Preliminary Amendment (as thankfully advised by the Examiner over the telephone yesterday) of requesting on the first page of that Amendment that the insert should replace the text from 7 lines up from the bottom of page 2, which is correct, through the end of page 13 which was wrong. It should have said through line 2 of page 12.

Please be sure the above instructions are followed correctly since entry of that replacement insert as initially stated is still being requested to replace the text from the originally indicated place on page 2 to the end of page 13 as originally requested.

Then the above insert to page 14 restores the inadvertently delete page 12-13 text, as corrected.

An early action on the merits is earnestly solicited.

Respectfully submitted,

PILLSBURY MADISON & SUTRO LLP
